Dear Sirs,

CBPU CIRCULAR
REVISED CODE OF PRACTICE ON ENVIRONMENTAL HEALTH(COPEH) (2005 EDITION)

The revised Code of Practice on Environmental Health (COPEH) (2005 edition) has replaced the COPEH (1998 edition) with effect from 19 Nov 2005. The revised COPEH (2005 edition) is available at our website address http://app.nea.gov.sg/cms/htdocs/category_sub.asp?cid=99.

2 A grace period would be given for QPs to adopt the revised COPEH (2005 edition) for the preparation of their building plans. As such, QPs may use the previous COPEH (1998 edition) for the preparation of their DC plans and BPs on EH up to 28 Feb 2006. QPs would need to inform CBPU in writing that their DC plans and BPs on EH are in accordance with the previous COPEH (1998 edition). QPs are, however, encouraged to use the revised COPEH (2005 edition) immediately.

3 With effect from 1 Mar 2006, all submissions for DC and BP on EH clearance shall comply with the EH requirements in the revised COPEH (2005 edition).

4 Please contact Ms Chio Kai Yun at telephone number 67319741 should you require any clarifications on the revised COPEH (2005 edition) during the grace period. For enquiries on submission procedures, please contact Mr Han Kit Juan at telephone number 67319155.

5 We would appreciate it very much if you could disseminate the contents of this circular to your members.

6 Thank you.

Yours faithfully
