Please be informed that with effect from 1 Aug 2005, all building plan and other related submissions on pollution control, environmental health, sewerage and drainage matters as well as application for TOP/CSC clearance for projects on JTC land are to be submitted directly to CBPU(NEA) instead of to BCU(JTC) for approval.

Please also note that you are to follow up with CBPU on all outstanding building plan and other related submissions and applications for TOP/CSC clearance which you have submitted on or before 31 July 2005 but not yet cleared by BCU(JTC).

Please bring the contents of this circular to your members for their attention.

Yours faithfully
