Dear Sirs

PROPOSED -----
APPROVAL NO. -----
PLUMBING INSTALLATION
CERTIFICATE OF SUPERVISION

I, the undersigned, hereby certify that I have supervised the construction of the water service installation, hosereel and sprinkler installation/connections by the licensed water service plumber, Mr _____, Registration No. _____ at the above-mentioned project and that to the best of my knowledge and belief, was carried out in accordance with the Public Utilities (Water Supply) Regulations, SS CP48 – Code of Practice for Water Services, drawings and specification and conditions under which such drawings and amendments, thereto, if any, were approved by your Department, and any other relevant requirements including other Authorities' requirements and other Statutory requirements. I further certify that the said water service installation and the associated electrical devices and equipment have been tested and are safe and acceptable for operation.

I also confirm that the rubber diaphragm of the pneumatic tank complies with SS 375.

Yours faithfully
