CHECKLIST FOR FIRE PROTECTION PLAN (AUTOMATIC FIRE ALARM SYSTEM)

Project Title:	**Project No.**
	Date:

Standard Requirements	**Applicable**		**Not Applicable**
	Complied With	**Not Complied With/Waiver Sought**	
(1) The proposed automatic fire alarm system has been designed in accordance with the provisions of CP 10 : 1993.			
(2) Schematic diagram is included in the drawings and complete with:			
(a) Each storey level.			
(b) Number of detectors per zone for each storey.			
(c) Alarm bells and manual call points.			
(d) Sprinkler flow switches.			
(e) Main alarm panel and sub-alarm panels.			
(f) Line connection from the main alarm panel to Fire Station via an approved alarm monitoring co.			
(g) Alarm bell at typical floor lift lobby of residential block for condominium development.			
(3) Following endorsements are provided for conventional system:			
(a) System shall be electrically supervised.			
(b) All detector and components shall be of approved type.

CHECKLIST FOR FIRE PROTECTION PLAN (AUTOMATIC FIRE ALARM SYSTEM) (CONT'D)

Project Title:	**Project No.**
	Date:

Standard Requirements	**Applicable**		**Not Applicable**
	Complied With	**Not Complied With/Waiver Sought**	
(c) General sounding shall be initiated on activation of the building fire alarm system.			
(4) Zone group is identified for each detector.			
(5) Spacing of detectors comply with CP 10.			
(6) Location of main and sub-alarm panels is shown.			
(7) Ceiling spaces exceeding and equal to 800 mm in depth are provided with detectors.			
(8) Stated clearly on plans if the automatic fire alarm system is of addressable and program controlled type.			
(9) For addressable and program controlled automatic fire alarm system, the standard FSB requirements shall be fully complied with and endorsed on plan.			
(10) Depth of ceiling spaces is indicated clearly on relevant sectional plans.			
(11) Raised floor areas are highlighted clearly on plans and depth is indicated.			
(12) Structural beam layout of the floor above is super-imposed on the floor plan.
