I will suggest to use the following job ref. nos.

1007-641-2 for replacement of fan coil units & sprinkler system in FCC Room.
1007-641-3 for additional & alteration electrical & sprinkler system at 30th storey landscape area.
1007-641-4 for upgrading of existing PA systemin CC Room.
1007-641-5 for additional & alteration of M & E Services for 1st storey toilets, loading bay, carpark lift lobby.

hi NA,

Please note that we will be opening a few more file on 1007-641 to capture the additional works for later biling purpose.

I have used up 1007-641-1 for upgrading of security system.

Hi YYF,

Will need to come up with the list of numbers for admin and account use.

Regards
