CHANGI-Light Pte Ltd

SPECIALISED LIGHTING SUPPLIER FOR COMMERCIAL, INDUSTRIAL & RESIDENTIAL BUILDINGS

Introduction

History

Changi-Light Pte Ltd grew progressively over the past decade to become probably one of the major and leading lighting fixture supplier for Residential, Industrial and Commercial projects in Singapore.

Started off in a two-storey factory in Eunos industrial estate, we have through the years, gained precious support from our valued customers. With the growth of the economy and the industry,the company was re-located to its present 4-storey factory in Kaki Bukit View in 1999.

With a paid-up capital of $1.5 million and an annual sales turnover of more than $10 million, the company now employs more than 40 staffs comprising of technical sales managers, auto-cad lighting designers, engineers, administration and logistics officers as well as store assistants and general workers.

Services

Changi-Light Pte Ltd was established in 1993 with the objective of providing quality lighting fixtures and prompt deliveries to the construction industry. With this as our core mission, we had also introduced other value-added services to serve our customers better. Services like: **lighting design, lux level calculation, technical consultation and customization of products, etc** were introduced to help our customers make the suitable and correct choice for their projects and construction requirements.

Our huge premises at Kaki Bukit View also allow us to hold ample stocks of **Simes, Adamlite, Aerolite, IImas, Lamp Poles, Lamps** as well as wide varieties of control gears and accessories to meet the urgent deliveries requested by some customers.

We are committed to be your preferred specialised lighting supplier by providing you with the best level of quality services and excellent products.
