ECONOMY SLOW DOWN

RISKS

1. Lower professional fees due to intense competition
2. Lesser projects in the market
3. ~~Retired~~ Lower sustainability leading to eventual business closure
4. ~~Staff low morale due to intense over anxiety job instability thus being less productive.~~ Challenging ~~Unable~~ to meet staff's expectations due to tight budget

OPPORTUNITIES

1. Personal enhancement
2. More time for design reviews for ongoing jobs (Quality output)
3. opportunity for company to perform restructuring exercise
4. Diversification of business due to market saturation
