Attn: Mr. Adris Isnin

Dear Sir

PROJECT: PROPOSED 30 STOREY CONDOMINIUM DEVELOPMENT AT THOMSON / MOULMEIN ROAD
SUBJECT: REVISED MASTER SCHEDULE

Attached herewith our revised Master Schedule for the above projects.

By cushioning the delay into these revised programme had caused our architectural works to start early then expected.

2 gangs of bricklayers will have to be deployed to carry out these activities so as to catch back the lost time.

It also had impact on our external finishing works for which we anticipate additional work force needs to be deployed to catch back the lost time.

We hope that our revised programme meets your approval and an early confirmation is greatly appreciated.

Yours faithfully
KIM SENG HENG ENGINEERING CONSTRUCTION (PTE) LTD
